Job objective

When I was 9, I suddenly decided I wanted to be an IT girl, like an evidence, even if I did not know what it was. Since then, my choices were made based on this dream and my dream became clearer: I want to become a web developer. To fulfill this dream, I learned HTML, PHP, JavaScript, CSS. But I also know a lot of others development methods, for database development for example or computer video games.

Education and qualifications

2021, DUT Informatique (2-year university diploma in computer science)
University of Savoy / IUT Annecy - Annecy-le-Vieux, France

2019, French Baccalaureate SSI (High School diploma specialized in science and computer engineering) **with specialty ISN** (IT class)
Anna de Noailles High School - Evian-les-Bains, France

Work experiences

Since November 2020, Des Coeurs À Sauver (animal protection association) - Annecy, France
As a volunteer in charge of foster family, I must entrust cats to families, to get news of cats, make sure they have their vet appointment

Since May 2020, Lie Vain Lou (restaurant) - Faverges, France
Team project (Second-year university project) As a communication officer and member of the team project, I design a restaurant website with WordPress

October 2020, Des Coeurs À Sauver (animal protection association) - Annecy, France
As a volunteer substitute in charge of foster family recruitment, I have to analyze family files, write contracts and contact families

September 2020, Des Coeurs À Sauver (animal protection association) - Annecy, France
As a temporary volunteer, I had to visit people who want to adopt a cat or become foster family for cat, and I had to send a report to the association

Summer 2019 (July and August), Cora (hypermarket) (bakery pastry part) - Amphion-les-Bains, France
As a bakery pastry employee, I had to sell, advise, put on shelves, manage stocks and pack

Miscellaneous

I really like to help animals (by helping them to found a family via the association Des Coeurs À Sauver) but also people (by giving my blood for example)

During my free time, I read (Marc Levy, Guillaume Musso, etc.) or play video games (Animal Crossing, Assassin's Creed, Bendy and the ink machine, Watch Dogs, etc.)
